	Local Share	Federal Share Requested	Total
Project Cost	\$	\$	\$
% of Project Cost	%	%	100%

Narrative Information

1. Write a brief narrative of the project. Describe the current conditions and an outline of the proposed project concept. In addition, describe the existing demand for the project (i.e. description of users, current service conditions, and anticipated service counts). Include a description of the anticipated time schedule for planning, design, and proposed completion of the project.

2. Describe below why the sponsoring agency is applying for funding. Include a description of how this project will allow the sponsor to meet the stated need (i.e. transportation safety improvements, improved economic development opportunities, reductions in energy consumption, development of alternative transportation modes, improved mobility of the general public and/or persons with disabilities, enhanced distribution of regional products, or improved inter-regional cooperation).

3. Has any part of this project been started? _____ No _____ Yes, explain below

Certification

To the best of my knowledge and belief, all information included in this application is true and accurate, including the commitment of all physical and financial resources. This application has been duly authorized by the participating local authority. I understand that this endorsement binds the participating local government(s) to assume responsibility for adequate maintenance of any new or improved facilities.

I understand that although this information is sufficient to secure a commitment of funds, an executed contract between the applicant and the Iowa Department of Transportation (Iowa DOT) is required prior to the authorization of funds. I also understand that any expenses incurred prior to said contract will not be eligible for reimbursement. In addition, if the project contract with the Iowa DOT is not signed within three years of the original programming, I understand that funding may be withdrawn.
