## Current Goals

1. Protect the health safety of residents (or students), visitors, staff, and emergency personnel (paid or volunteer) during and after hazard events.
2. Minimize losses to existing and future structures in hazard areas. Critical facilities are priority structures.
3. Maintain local services and infrastructure in order to reduce community, economic, and environmental disruption during and after hazard events.
4. Educate residents (or students) and visitors about local hazards and the resources available in the community.
5. Apply public funds to hazard mitigation projects in an efficient and fair manner to minimize dependence on state and federal resources.
